About

We are a family business based in the historic Galle Fort, Sri Lanka and extended its market footprint by adding primary facilities in locations such as Poland, Türkiye, France, Bulgaria and in the United Kingdom - devoted to the craft of outstanding tea, coffee and spices.

We might not be equal to any big boys in the market but in quality and freshness, we are skilled to match your mood proudly. We only work with the finest tea gardens in (former Ceylon) Sri Lanka, and we view our tea growers as a natural extension of the tēyilai Tea family.
